DO YOU MIND
I AM TRYING TO
READ THE
BIBLE

SEARCH

Make God and Jesus enjoyable for those around you.

Don't force your beliefs on others, and most importantly,

don't take away joy because of your faith.

Please stop sharing what you read in the news and prophetic words and forcing others to accept it.

Don't cram it down their throats; everyone has their own opinion.

Keep your opinions to yourself, as your way is not always the right way.
